Dear Mr. O'Neill: Dear John,

Thank you for agreeing to participate in the "Alcohol and Drug free Housing Forum" on Monday, May 15, at the Federal Reserve Bank. This first of a kind forum offers a great opportunity to learn about new initiatives across the country and in Massachusetts with regard to housing chronic substance abusers who are in recovery.

The objectives for the day are to raise the level of awareness about this form of housing and highlight financial and technical resources available to private non-profit agencies. We will be introducing our new initiative, the revolving loan fund, which is to support the leasing of property for recovering individuals.

The attached outline for the day is intended to help you formulate your presentation. If you have any questions contact me at 426-5997 or Joe Vallely 727-1960 x250. Again thanks for your support.

Sincerely,

Milton Argeriou, PhD.
